

A Word from the Pastor

Stepping out in faith to be better enabled to impact our families, community, and world with the Gospel of Jesus Christ is exciting. **On Eagles' Wings- Continue the Vision** is our next great step of faith. This fund-raising campaign is a continuation of a process we began over five years ago.

On Eagles' Wings- Continue the Vision will effect our ministry today and for many

years to come. Our children and even grandchildren will be able to worship, witness, minister, learn, and fellowship in the facilities we are renovating.

God has richly blessed us as a Church family. I firmly believe that we are ready to meet this challenge. I urge you to pray for God's will as you seek to respond.

Join me in making a generous, worthy, and sacrificial commitment in giving to our project over the next three years. What better investment is there than to invest our resources to bring eternal dividends?

In His Service,

David

How Can I Give to On Eagles' Wings- Continue the Vision ?

You can give weekly, monthly, yearly, or in a lump sum. You may also give "in kind" gifts such as stocks, bonds, real estate, or other valuables. Please remember to designate all gifts to the campaign as "On Eagles' Wings" or "Building Fund" so that they may be properly accounted.

When Does the Giving Period Start and End?

Giving for this three year campaign begins October 2006 and ends September 2009.

Can I Change My Commitment?

If circumstances make it necessary, you may change your commitment at any time.

Is Any Gift too Small?

No! Together all of our smaller gifts add up. We all cannot give the same gifts, but we all can make equal sacrifices.

Can I Ask More Questions?

Absolutely! You will receive more detail at the **On Eagles' Wings- Continue the Vision Banquet** on September 24, 2006. You can also ask the staff or members of the On Eagles' Wings Ministry Team or Properties Ministry Team questions at any time.

What Is On Eagles' Wings- Continue the Vision?

On Eagles' Wings- Continue the Vision is a three year capital fund raising campaign to continue the process of renovating our Church facilities.

What Is the Goal?

To raise over \$225,000.00 in three years.

What Are the Building Plans?

The funds raised by On Eagles' Wings- Continue the Vision will be used for "Phase 2" of our long-range master plan pictured on the front cover. This phase calls for renovating our existing main education building, including

- The nursery,
- Preschool classrooms,
- Children's classrooms, and
- Senior adult classrooms.

Phase 2 is pictured in purple.

The end result of the renovations in these areas will be

- New, bright, redesigned classrooms throughout the building;
- The nursery/preschool area will become a secure, self-contained "pod" with new restrooms and direct access to a new preschool playground behind the building; and
- The children's area will also become a secure, self-contained "pod" with new children's restrooms.

Why Is this Necessary?

Our Church family has been well served by our current education building. However, the building is approaching 50 years of age. It is time to renovate and modernize the building for another 50 years of service to the Lord.

Facilities along this hallway are scheduled for renovation.

What Can I Do?

Pray for your Church. Pray for God's leadership, wisdom, and blessing.

Attend the free On Eagles' Wings- Continue the Vision Banquet on Sunday, September 24, 2006 at 6 p.m. for more information and to make your commitment.

Give to this project. Let the Church know the amount of your commitment by submitting a confidential commitment card either at the banquet or to the Church office. Commitment cards

are important because we cannot plan for building without some idea of how much will be given during this campaign. Remember, the commitment you make is private. No one at the Church even tracks your progress on your commitment.

Are Gifts to On Eagles' Wings Different from My Tithe?

Yes! The ministries of the Church will continue during this campaign, so please continue to bring your tithe in addition to the offerings God leads you to give for building. When there is an exciting opportunity like this, God asks us to go above and beyond the tithe which is the minimum worship requirement.
